So you've made the great decision to join the school's beginner concert band! Last spring, most of you tried out a number of these instruments, and now we have to figure out what instrument you'll play.

Section A:

Flute

Oboe**

Clarinet

Bass Clarinet**

Saxophone\$\$

Section B:

Trumpet

French Horn**

Trombone

Baritone**

Section C:

Percussion

Please choose **two** instruments from **Section A**, **two** instruments from **Section B**, and **one** from **Section C**. Arrange them in order of your desire to play them. Remember that I will *try* to get you your highest choice of instrument, but also need to look after the needs of the band.

(Most students will need to buy/rent their instrument from a recommended music store. Instruments with ** can be supplied by the District. The District also has a VERY limited supply of the other instruments available for those requiring financial assistance. Students choosing Saxophone *will be assigned* either Alto or Tenor by Mr. W.)
