

# Burnaby Board of Education Strategic Plan 2019 - 2024

Dear Families,

The 2019-20 school year is off to a great start in Burnaby. As we near the end of the first month of classes, many of our students have already participated in Terry Fox runs and are gearing up for Orange Shirt day – both important community events and ones that engage students in discussion in our schools. We value tremendously the strength and diversity of our community. Collaboration and partnership are at the core of our new strategic plan.

On behalf of staff and the Burnaby Board of Education, it is our pleasure to share with you the Burnaby School District's new five-year strategic plan. It builds on the achievements of the past, while looking ahead to the future of education. It affirms what's important to each and every one of us: student success, and helping each child along their own unique learning journey. The plan will guide our focus for the coming years, as we continue to pursue excellence in our District.

We invite you to read the strategic plan. You can find it and more information on our website: [burnabyschools.ca](http://burnabyschools.ca).

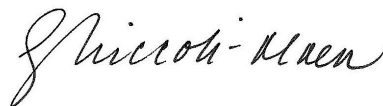

This is a dynamic and living document – one that will rely on the many voices and partners of the Burnaby School District. Should you have any questions, we encourage you to email us at [inquiries@burnabyschools.ca](mailto:inquiries@burnabyschools.ca).

We are excited about the future and what we can continue to achieve in order to ensure that each one of our students thrives.

Sincerely,

Gary Wong,  
Board Chair

Gina Niccoli-Moen,  
Superintendent of Schools
