WELCOME BACK BBQ

Good Afternoon Lakeview Community,

Another busy week has come to a close at Lakeview. Thank you to all the parents who came out and met with your child/children's teachers. Our Intake interviews went well. It is always a nice way to get to know the kids a little bit better from a parent's perspective.

The Welcome Back BBQ was a wonderful way to wrap up the week with students and families. It was great to see all the families and alumni students out enjoying each other's company in spite of the rain. Thank you to the PAC Organizing committee and all the volunteers under the guidance of Felicia Saunders, Erika Lofstrand and Allison Sibelle. Thank you to SBMC for coming out and engaging the kids with a little bit of soccer.

We will be busy on our Professional Day on Friday looking at assessment, proficiency scales and reporting in the morning and will be working with our District Literacy Support Teacher Tanis Anderson on Literacy and Literacy Assessment.

I hope you all have a wonderful weekend.

Bruce

Parking

Please see the attached diagram for parking at Lakeview. I have received a few complaints from our neighbours about parents parking and blocking driveways and using them as a turn around point. Please go to the top of the cul-de-sac or use the round-a-bout to turn around after dropping of your child/children. The parking lot is for school and school board staff only. Parents are not to park in the school parking lot.
