-

October 4

- Primary Aerobics 11:30
- Pizza Hot Lunch

OCTOBER IS HERE

Good Afternoon Lakeview Community,

It is hard to believe Monday is our last day of September. It seems like just yesterday we began our opening week activities.

Thank you to Division 3 and our Grade 7 Aerobics team for leading our Terry Fox Warm up and pre-run activities. The rain held off and we got in a nice run. Thank you for all the donations which will be sent to the Terry Fox Foundation next week.

We continue to work as a school to build polite responsible community members. In mid-October we will begin our larger group lessons looking at Mindfulness and developing resiliency skills in all our students. We will be doing this through literature and the Applied Skills Curriculum. At the end of our first lesson, the students will have a special surprise to bring home just in time for Halloween.

I hope you all have a wonderful weekend.
Bruce

**Love Speed?
Love a Challenge? ... then you'll love**

Speedskating

Speedskating is an exciting, fun, and rewarding Olympic sport.

**Join us for a 3 session trial
for only \$40**

We welcome all ages and all abilities. We'll provide the speed skates and expert coaching so you can try short track speedskating for yourself. Bring your own ice/snow helmet and leather gloves. If you like the sport, become a club member for the season (September - mid March).

Kensington Park Arena - 6159 Curtis St, Burnaby
