CROSS COUNTRY WINDS UP

Good Afternoon Lakeview Community,

Next week the volleyball season officially kicks off. Thank you to Mrs. Chung, Mrs. Cirillo, Mrs. Keirstead, and Mrs. Knapp for coaching the boys and girls volleyball teams. I look forward to seeing the upcoming games at Lakeview.

Next Friday we will be having our first collaboration lesson. Students will be working with Mr. Cornell, Mrs. Bourne and Mrs. Buchanan in the gym looking at a growth Mindset. We will also be doing an Applied Skills activity as the culminating activity of the day that the students will have to take home with them on Friday. This is our entry point towards changing our schools Social Emotional Goal to have students use a growth mindset mentality and develop their resiliency skills.

I have received a number of complaints over the past two weeks about parking in the round-about and people using the parking lot to drop off their children. Please remember that the parking lot is for staff only at all times and is not to be used as a pick up or drop off place. The round-about is meant to drive in, let the kids out and head out on your way. It is not intended for families to park in and walk their children to their classrooms. Please refrain from parking in the round-about to allow the rest of the community a space to drop off and/or pick up their children. There is ample street parking available (see map on page 2).

Have a wonderful Thanksgiving Weekend
Bruce

PAC Notice

The Lakeview PAC is hoping to put on a spring fair this year. A spring fair not only helps raise funds for PAC, it's for building community spirit for our school. We are looking for volunteers to help organize the fair.

Specifically committee members for concession, games and coordinating our student and parent volunteers.

If you are interested and want to get more information about the commitment please email Franco (fluca00@hotmail.com) or Sanj (sanjhunda2@hotmail.com).

Parking

Please see the attached diagram for parking at Lakeview.

Kids Up Front Presents: More Than a Movie!

Experience the movies like never before...
On the Big Screen at BC Place!

About the Event

"More Than a Movie" is a community based event where families and individuals can purchase tickets for the unique experience to see Toy Story 4 on the Big Screen at BC Place and provide the same experience to a child in need with your purchase! There will be on-field activities before the movie, so wear your sneakers! Whether you purchase your ticket, or you received a donated ticket, everyone can share the same amazing experience of joy in a safe, equal, and inclusive environment.

Benefit to the Community

For every ticket sold, a ticket will be donated to a child, youth, or family in our community & all proceeds will go directly to Kids Up Front Foundation (Vancouver) to fund our mission. So in attending our event, you help twice!

About Kids Up Front

Kids Up Front Foundation provides experiences to local deserving children and youth through the redistribution of donated tickets. Through our innovative program, we reduce the barriers to access that limit kids from experiencing arts, culture, sporting, recreation, and educational opportunities. By allowing kids to attend local events together with family, mentors, or peers, we help to foster feelings of inclusion and belonging.
