## CROSS COUNTRY WINDS UP

Good Afternoon Lakeview Community,

Monday will be the last cross country meet of the year. We want to wish the entire team good luck at the Awards Meet on Monday. The students will do their best to represent Lakeview with HEART at the meet. Thank you to the basketball genies for the surprise up on the eastern hoop at the school. We all appreciate your kind actions.

Halloween is only a few weeks away but it is a good time to remind everyone about the rules around costumes. Please be advised that students will not be allowed to wear face masks of any type, bloody or violent looking costumes or bringing weapons that are part of their costumes. Some students frighten easily and we want them to enjoy the day at school as well. Please check with your son/daughters teacher or Mr. Cornell at the office if you have concerns whether their costume is appropriate or not. If costumes are not appropriate, they will be asked to take them off.

Over the next two weeks, we will be doing our first run through of the year on our safety drills. A letter will go home to parents next week outlining the drills and days we will be doing them. Part of our Safety Drill week will be new procedures we will be implementing for visitors, guests and parents who come to the school during the day. Changes to note include anyone coming to the school needs to sign in and get a visitor pass upon entering the school and must check out when they leave. We also are asking lunches that are being delivered are brought to the office and left on the counter. We will call the students to the office to pick up their lunches at 12:07.

I hope you all have a wonderful weekend.

Bruce

## CLEANING OUT YOUR GAMES ROOM? WE CAN HELP!

Look in those closets, down in the basement, under the bed!!!

We are hoping to start up a couple of new clubs this year at Lakeview. We are asking any parents or guardians if they have any gently used board games that they would be willing to donate to Lakeview for use in a 'Board Games Club'. This will be a lunch time club that would meet once a week where students could come and play some board games and chat with some friends.

Another club we would like to start is a 'Lego Club'. This would be on a different day of the week and students can come, build to their hearts content, chat with friends and maybe even create a new masterpiece. If you have any bags or boxes of Lego that your household is finished with, we will gladly take them off your hands. The Lego does NOT have to be complete sets or in the original packaging. We are simply looking for a variety of Lego blocks which students can create with.

If you can help us out with either of our new clubs, please email Nancy Sinclair and she will make arrangements to collect up your donations! Please email Ms. Sinclair at [nancy.sinclair@burnabyschools.ca](mailto:nancy.sinclair@burnabyschools.ca) for more information!

Thank you so much for supporting our extra-curricular activities at Lakeview!
