

## Be A Giant Ticket Order Form

Our class has successfully completed the Be A Giant social responsibility challenge! As a result our class has qualified for game tickets to a Vancouver Giants hockey game. Each student in the class will be receiving a complimentary ticket to the Giants game as a reward for the successful completion of the Be A Giant program.

The Vancouver Giants along with its sponsors are also offering a chance for family and friends to attend the Giants game with the student by purchasing game tickets at the discounted price of only \$14 each (approximate a 44% savings). If you wish to take advantage of this special offer, please complete the form below and have your child return it to the school. ### **Post Game Skate**

After the game on November 17<sup>th</sup>, there will be a free post-game skate for all in attendance. This gives kids the opportunity to skate on the same ice as the Giants, and gives ample opportunity to meet Giants players and get autographs! Skate with stars such as defenceman Bowen Byram and forward Justin Sourdif and have a truly memorable experience. The Giants made it to the WHL Finals this past season, and are aiming to make another run this season! Join us on November 17<sup>th</sup> and come along for the ride!
