JINGLE BELL WALK

We are two weeks away from our thirteenth annual Jingle Bell Walk. It is a great community event where we get to look beyond ourselves and help those in the local Burnaby Community. We still need parent volunteers to help on the day of the event. I sent home information on Monday about volunteers for the December 6th event. I have shared the link below if you are available to help drive to pick up the donations, sort and prep the clothes in the gym, walk with a class as they pick up or prep and pass out hot chocolate to the kids in the gym when they get back. We appreciate the communities support with donations and helping us make this the great event it is. If you are able to help, use the link below to register:

Elf Jr. is only three weeks away! I can't believe how close it is to happening. Seems like last week Mrs. Bourne began casting for the play and preparing the classes for performances. If you have not already purchased tickets, round one of ticket orders closes November 25th at 9:00 am. If extra tickets are available, I will email out to the community when they will be available for purchase. If you have not purchased your tickets use the link below to order them. If you do not want to use the online form, please see Ms. Quickstad in the office for a paper copy. Don't forget to send your payment with your son/daughter for the tickets, I have a number of tickets in my office I am waiting for payment on.

Thank you everyone for using the new sign in and sign out system at the office. We appreciate you helping us keep track of who is in and out of the building. If you are dropping your children off, please do so at the outside doors. If you feel the need to go in the classroom, please come sign in at the office first. If you are dropping lunches off please drop them off at the office and we will call the kids to get them.

Bruce
