### Time for Some Rocks and Rings

December 11, 2019

Dear Parents/Guardians:

We have arranged to have a curling program come to our school from January 7<sup>th</sup> to January 10<sup>th</sup>. Egg Farmers Rocks & Rings presented by Curling Canada is Canada's acclaimed Elementary School Curling Program that brings the Olympic sport to schools. Students will experience the sport of curling as part of their physical education programming.

Students will be participating in two sessions over a four-day period. Their first session will consist of a variety of drills, relays, and team-building activities that introduce students to the sport of curling. For students second session they will participate in a tournament where they will compete with students in their class! The cost per student will be **\$4.00**.

Please return the form to your child's classroom teacher by Wednesday, December 18<sup>th</sup>.

Sincerely,  
Ms. Teresa Migliuri
