

Hi Everyone

Technovation, a flagship program of non-profit Iridescent, is the world's largest global tech entrepreneurship competition for girls. The program offers girls around the world the opportunity to learn the necessary skills to emerge as tech entrepreneurs and leaders. Every year, Technovation challenges 10 to 18 year old girls to build a business plan and mobile app that will address a community problem. Since 2009, over 15,000 girls have participated from over 100 countries.

The steps to participate are all outlined in the website here: <https://sfu.ca/technovation>

The first information session is coming soon on Saturday, Dec 7th. If you have any questions, contact Lucky Saini, lucky.saini@burnabyschools.ca and I can help support the teams that wish to participate.

Thank you.
Lucky

Info Session #1

Date: Saturday December 7th, 2019

Time: 9:30am - 11:30am

Location: SFU Burnaby

(Check in at Applied Science Building Atrium)

At the Information Session, all interested parents, guardians, teachers, mentors, and girls are invited to join us to learn more about the program and how to get involved.
