ELF JR.

Good Afternoon,

Thank you to everyone who came out to our performances of Elf Jr. on Thursday. It was great to have such large audiences for the kids to perform in front of. Thank you to Mrs. Bourne, Ms. Knapp and Ms. Miglirui for the time they gave up to be at the practices over the past two months. All the time they gave up made for an amazing presentation. Thank you to Trent and Jessica for the amazing job of painting the Christmas Tree that is still on the stage today! Thank you Darlene for making all the elf hats the kids wore. I'd like to also thank the staff who all contributed to the performance in one way or another.

Please remember that the deadline for term 2 hot lunch is on December 20<sup>th</sup> at 9:00. You can order lunches online using the ["Hot Lunch Link"](#). Volunteers are still needed. We are looking for a few more volunteers to make the program run successfully in the second term. The Hot Lunch Volunteer form can be accessed using the ["Volunteer Link"](#). Please remember that today was the last day for Hot Lunches this term. Students need to bring lunches all five days next week.

Please remember that Division 6 is having their Christmas Market on Monday from 9:00 – 1:00 in the Library. All items range from \$0.50 to \$5.00. If you send money with your children, please send change of small bills. We do not have a float for this market.

Please be aware that when parking in the back cul-de-sac off of Beverly Street that the City of Burnaby by-law requires parallel parking in cul-de-sac's. Please make sure you park in accordance with the City's by-laws to avoid getting parking tickets in the front of the school as well as the cul-de-sac.

Bruce

### **Child Care Survey for Parents and Guardians**

The City of Burnaby is asking local parents and guardians to share their child care experiences with them. They are launching a survey to understand the diverse child care needs of local families. The survey is part of a broader Child Care Needs Assessment that will help Burnaby learn more about child care needs, establish additional child care space targets and identify actions to meet those targets.

The survey is open to anyone who lives or works in Burnaby and may need care for children who range in age from infant/toddlers to 12 years old. The survey will remain open until **Friday, January 17, 2020.**
