THANK YOU

Congratulations to the boys and girls basketball teams for their winning their games this week. I am very proud of our boys team for the way they play and handle themselves on and off the court.

This week has been an emotional week for me as I prepared to move to my new assignment. One cannot under estimate what an amazing community Lakeview is! I feel so lucky to have been able to spend 3 ½ years here as the school's Principal. My time as the Principal has now come to an end but Lakeview will always remain a special place in my heart.

There are so many people that have made this journey so special and memorable. From the amazing staff here at Lakeview who only want the best from the kids and provide them with not only deep learning opportunities but so many extra activities, clubs, teams and ___ that go above to develop the whole child. The hard-working Lakeview PAC (old and new) who do so much work in the background to create such a wonderful community feel and support the teachers and their programming and the school as a whole through their fundraising. The amazing families that make up the Lakeview community. I cannot believe how many great people I have met who have entrusted us to help develop their children and their extended families always being willing to help out.

Thank you so much for helping me grow and develop and lead at such a wonderful place!

I hope you all have a wonderful weekend!

Bruce
