October 22<sup>nd</sup> , 2020

## Dates to Note:

- Oct. 23 - Pro D day
- Oct. 30 - Halloween activities
- Nov 4 - Photo Retake
- Nov 10 - Remembrance Day assembly
- Nov 11 - Remembrance Day

Hello Lakeview families,

What a whirlwind of a week. None of us wanted the type of letters that came out this week but the very important communication is vital to our navigating of everything COVID related. We want to make sure that our community have as much information as we are able to share in as quick a manner as we can. I have reattached the two letters in regards to our COVID-19 exposure here and they are also posted on our website.

## **Provincial Profession Development Day** **– Friday October 23<sup>rd</sup> .**

Just a reminder that Friday is our Professional Development day and there will be no school that day.

## **Photo Retakes: Wednesday November 4<sup>th</sup>**

Students wanting to have a photo retake they will be taking place on Wednesday the 4<sup>th</sup> in the morning. If you have a student on Distributed Learning, Transitional and not back at school yet or Immunocompromised please look for a letter next week inviting you to join us on this date if you would like photos. More details to come.

## **Halloween Costumes at School**

On October 30<sup>th</sup> (Friday) students are welcome to attend school in their Halloween costumes or to wear Black and Orange. We would like to keep this a fun family-friendly event for **ALL** students. Please remember that we have students as young as 5 years old in our building. With that in mind, please consider the following guidelines when deciding on your "school" costume.

School-appropriate Halloween Costumes should...

- not display inappropriate images such as: gratuitous blood, violence or swear words.
- in general, not depict gratuitous violence or alienate others based on gender, race or religion and be culturally appropriate
- allow students to go outside at recess and lunch
- not include swords, guns or any other kind of weapon - please leave these items at home
- have most of face visible as still a learning environment

Thank you – we appreciate your cooperation.

## **Halloween Safety Tips**

If trick or treating:

- Dress in light-coloured non-flammable clothing and always look both ways before crossing the street;
- Carry a small flashlight and wear reflective material;
- Travel in small groups, preferably under adult supervision;
- Respect the rights and property of others;
- Have an adult check all "treats" before they are eaten.
