Dates to Note:

- Oct. 31 - Halloween
- Nov 4 - Photo Retakes
- Nov 10 - Remembrance Day assembly
- Nov 11 - Remembrance Day
- Nov. 20 - Something on your wrist day
- Nov. 27 - Pro-D (District)

Hello Lakeview families and Happy Halloween,

Well when they say that things might be different they have not seen Lakeview this week and our Halloween spirit and fun. We had pumpkin carving, pumpkin painting, arts and crafts, pumpkin pie tasting, a virtual Halloween assembly, a virtual dance off, great costumes and Orange/Black clothing, a playground of mini-pumpkins and pumpkin bowling in the gym. Okay maybe I miss spoke. It was very different but the smiles on the kids faces and the excitement level was as hyped as ever.

A special Thank-you to our first virtual MC's, Kristian and Jet and to Ms. Bourne for navigating us through this. Well done.

Lakeview has a Twitter account! You can see some fun and interesting things that classes and students are doing by following us @lakeviewSD41

Photo Retakes:

We will be doing photo retakes on Wednesday **November 4th** in the morning. We would like to invite all of our students who are still on the Transition program, who are in the Immunocompromised group or those who are participating in the At Home Learning (DL Program) to join us at 9:15 to participate in school photos. These students will line up outside of Ms. Patterson's room (between the Annex and Main building – look for the signs) and we will enter from the outside door one at a time. Once these photos are done we will send runners to our in school divisions for those who would like to do a retake.

Halloween Safety Tips

If trick or treating:

- Dress in light-coloured non-flammable clothing and always look both ways before crossing the street;
- Carry a small flashlight and wear reflective material;
- Travel in small groups, preferably under adult supervision;
- Respect the rights and property of others;
- Have an adult check all "treats" before they are eaten.

Staff Guess Who?

To all of our students we have a challenge for you to try to figure out the masked teachers. We figure since we need to be wearing masks anyways lets turn it into a challenge. Check out the masked photos in the entrance by the gym. Use the clues and the masked photos to guess who the teacher might be.
