Reviewing some of our safety policies:

### **Pick Up/Drop-off Times:**

1. Please try to arrive as close to your drop-off or dismissal as possible.
2. Once you have collected your children please leave the school grounds immediately. We are currently under a new provincial health order and no social gathering are allowed in the before/afterschool hours currently
3. We highly recommend parents to wear a mask at pickup.
4. If you are talking with another parent, please ensure you always keep your social distancing of 6 feet.

We also thought we would remind you of the current health and safety order that was updated by the Provincial Health Order. Some specifics of this order are around social gatherings and events including:

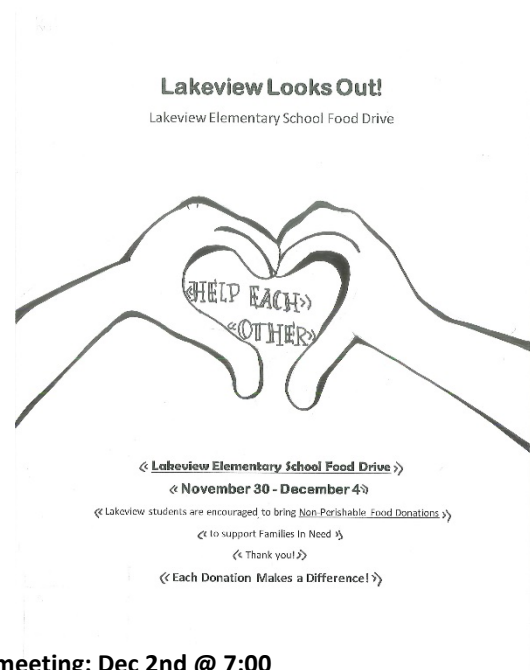

No social gatherings of any size at your residence with anyone other than your household or core bubble.

For example:

- Do not invite friends or extended family to your household
- Do not host gathering outdoors either public or private property
- Do not have playdates for children

The way we individually behave in our community has a direct effect on the health and safety of the entire school community. Please follow these guidelines in order to keep everyone as safe as possible.

Principal
