Hello Everyone and welcome back,

Hope everyone had a restful Winter Break and welcome to 2021 and the continuation of our school year. We are two weeks in a up and running as if we were never away and our **Literacy Week** is quickly approaching. Previously this week end with the Lakeview Read-a-thon but as with most things this year events will need to look slightly different. We will still be encouraging, promoting and emphasizing the importance of reading and Literacy. Our kick-off assembly will be on Friday Jan 22nd (virtually of course) with different events running each day from Monday Jan 25th until Friday January 29th. Look for more information to come and details on the many events such as theme days, guest readers, home activities, decorating events and lots of great prizes. Remember to READ, READ, READ.

Take care,
Brad Winterlik

February is **registration Month**. If you are registered in our school you have nothing to do but for our new Kindergarten students, those born in 2016, you will need to register online at:
<https://burnabyschools.ca/registration/>
Registration does not open until February.

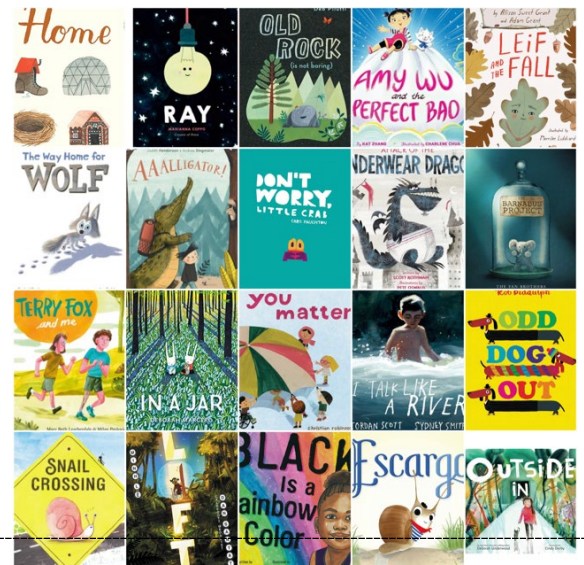

A few notes from your Teacher-Librarian:

Happy New Year Lakeview School Community! First of all, thank you for sharing your young readers with me. Reading and discussing texts with your children brings me so much joy. They have such attentive inquisition, genuine insight, and candid humour, that always brings a smile to my face (even if they can't see it!). We shared many stories this past year, so I thought I would extend the list of my favourite Picture Books of 2020 with you.

Stay tuned for the top novels and early chapter books! These books are available for students to check-out* at our school library (and put on hold if they so choose). *48hr quarantine process is in effect with response to Covid recommendations.

If you would ever like any recommendations or have any questions you can always contact me at patricia.buchanan@burnabyschools.ca
