Good afternoon Lakeview families,

What a beautiful Friday and week of weather we have had. It has been nice to see the classrooms taking advantage of this beautiful weather to take the classes outside for some physical activity, learning opportunities and action breaks. With the nice weather I do want to take this opportunity to remind our students (and parents) that before and afterschool we would like to discourage you from gathering on the school grounds and remind you to keep a safe distance and use a mask.

We know that the staggered starts and ends of the days for the different classes have been helping with flow of entry and dismissal and has help lessen the grouping of children. Please remember that classes start at 9:00 or 9:15 and with our strict COVID protocols in place late students add a layer of difficulty for attendance. If you could please make every effort to have your child at school on time it would be appreciated.

If you are late please follow these steps (late being after the classroom teacher has already let the class in as they can not keep coming to the designated door):

- 1) bring your child to the front entrance to the school and ring the door bell
- 2) we will come down, let them in and take them up to the office to sign-in
- 3) we will then walk them to their classroom

Reminder of start times and end times:

Division	Start	End
1 (Keirstead), 2 (Cirillo), 3 (Migliuri), 10 (Shen), 11 (Knapp)	9:00	2:45
4(Suh), 5 (Chung), 6 (Sinclair), 7 (Woolley), 8 (Chatt), 9 (Mah)	9:15	3:00
