April 9, 2021

Dear Families,

Another 4 day week has flown by and we are already moving into the middle of April.

This week we saw the arrival of the Lakeview Spirit wear which was pre-packaged by our PAC and delivered to the students classrooms. We have already seen lots of Lakeview gear being worn around the school and it looks sharp. Thank-you to our PAC for organizing this.

Mark your calendar - May 6th Student Led Conferences.

Student-led conferences are an important part of the reporting process and even with our in person restrictions we as a staff are organizing ways to make this experience still possible. Your child(ren) will share with you progress in school activities to date. This is a proud time for your child as s/he takes a lead role in discussing learning achievements and areas for growth! The structure and format of the conferences will vary according to students' grade and the work that they have been doing in each classroom. Students may demonstrate their learning in a variety of ways. For example, they may show you portfolios, journal entries, reports, artwork or writing samples. Some of the materials you see during the conference may have been chosen by your child and some by your child's teacher. Often items are selected for a specific reason. The selections may not always be finished or the most polished piece of work but might demonstrate growth or an area of improvement. More specific details of what this will look like from class to class to come in the next couple of weeks.

Take care,
Brad

Dates to Note:
