## Good afternoon Lakeview families and WELCOME TO OCTOBER:

We are now one month into our school year and everything seems up and running as it would in previous years, just looking a little bit different. Band has begun for our grade 7's with the instruments now in their hands, library book exchange is scheduled and students will now be able to have those much loved books that they so wanted. All of our other schedules are flowing with regular music classes, gym times and other supports now up and running.

Yesterday was the National Day of Truth and Reconciliation and I hope everyone had time to reflect on our past and how we are going to continue to move forward. Schoolwide this last week we as a united front had many discussions, read stories, did a nature book walk, and participated in Orange Shirt day Wednesday which tied into our school wide assembly.

We have had some other important events run smoothly this month with our excellent meet the Seniors displays, with our Social Responsibility Tour uniting the school on expectations, individual student photos taking place (please see information in newsletter about procedures to order photos), and we participated in the Terry Fox run dodging the rain storm. Our leadership team and classes are also in the middle of a food drive to help out families in our community as Thanksgiving approaches. Food drive ends Monday.

Brad Winterlik  
Principal, Lakeview

## Strengthening Layers of Protection in the Burnaby School District

### Statement from the Burnaby Board of Education

Following a unanimous decision at a Special Board Meeting this morning, the Burnaby Board of Education is amending mask wearing requirements to include students from Kindergarten to Grade 3. This is an expansion from the current mandate for Grades 4-12.

Beginning Monday October 4, the Board will require all students in K-12 to wear masks while indoors at school, unless medically, developmentally, behaviourally or otherwise legitimately precluded from doing so. Staff will continue to work with students and families in a positive and supportive way regarding mask wearing.

The Board is grateful to Fraser Health's Medical Officer for meeting on an urgent basis yesterday evening. Her assurance that masks are an effective layer of protection for all students when used in concert with other health and safety measures informed the Board's decision to promptly implement this new mask requirement for K-3 students.

The decision by the Board to meet with the Medical Health Officer for Fraser Health was made in a motion unanimously passed by Trustees at their public meeting on September 28 to urge consideration of additional public health measures to increase mask wearing in schools. The Board will continue to work with the Medical Health Officer to ensure that health and safety measures in Burnaby schools are based on public health guidance.

### Parking, Parking, Parking – A friendly reminder:

Yes we are discussing parking again as this seems to come up every year. Parking is at a premium and the safety of our students is more important than the convenience of a quick drop-off. The staff parking lot is reserved for staff and should not be used as a drop off zone. We have a large number of staff this year and need to ensure access to the building. The round-about is a drop off only zone. Please pull in, safely stop, your child exits the vehicle, you pull away. Very simple and efficient but all it takes is one person to back the entire system up. So far, so good.

## October 12-15 at Lakeview!

We are excited to announce that a Scholastic Book Fair is coming to your school, with some important modifications to note (due to Covid Procedures). The following notes are important, as the Scholastic Book Fair will have some notable differences and we will have both an in-person (for students) and virtual (for members of the community and students) option for purchasing!

- 1) The in-school Book Fair is open to **students only**. Students will visit with their classes during their scheduled library time. **The only time for students to make in-person purchases is with their classes during this scheduled time.** Tuesday Oct 12: Div 9, Div 11, Div 6, Div 7, Div 10. Thursday Oct 14: Div 8, Div 1, Div 4, Div 2. Friday Oct 15: Div 12 and Div 1.
- 2) Parents and members of the community **are not** able to attend the in-person Book Fair. The great news is, the **Virtual Book Fair contains all of the same products and has no minimum purchase for free shipping to the school.**

This Virtual Link will be your place to purchase from the Book Fair online: <https://virtualbookfairs.scholastic.ca/pages/5147245>

*No purchases can be made until the Fair start date. You can browse and get a sneak peek prior to the Fair start date. The shop will open up on October 12th.*

### Safety Drills:

Under the "Date to Note" section you will see that running from October 12<sup>th</sup> to the 15<sup>th</sup> we are doing a series of safety drills. Just like sports, the arts or school work when you practice something you become more comfortable. We as a school want to be comfortable in all safety situations so the best way to do that is to practice. This upcoming week we will be practicing our drill procedures.

Our staff will be preloading the students with important information about each drill and our morning announcements will highlight the key factors.

**PAC meeting: October 5<sup>th</sup> @ 7:00**

Please join us for our first PAC meeting of the school year - virtually.

## **LAKEVIEW HOT LUNCH PROGRAM IS BACK**

Fall 2021

The Lakeview PAC is excited to announce the return of our popular hot lunch program. Our hot lunch program is the schools main fundraiser for the year and it is the support of all the families at Lakeview that make this program such a success.

As we all know we are in a different place than we were 18 months ago when we had to suspend hot lunch. All our vendors have been affected by the pandemic through rising food costs as well as the increase to minimum wage which has meant they had to increase their prices. The PAC in turn has also had to increase the prices as this is to raise funds for the school. You will see the main entrees all have gone up approximately \$1.00 but we have been able to keep the drinks and treats the same price. We as a PAC hope you understand and will still support our program which also in turn supports our school and local community businesses.

The PAC wants to assure you we are following all COVID health and safety protocols that have been set out by the District of Burnaby to run a hot lunch program. All volunteers will be wearing a mask and gloves at all times. All the food will be individually prepackaged and sealed. All the vendors also adhere to BC government safety protocols.

Our vendors for the first term are Pizza Hut, Boston Pizza, Osaka Island Sushi, Wok Box and Subway. You will find this term lunch menu in Munch a Lunch

All orders are to be processed using Munch A Lunch. We will be opening the system for orders on Monday October 04th and it will be closed Tuesday October 12th at 9:00AM.

If you do not have a Munch a Lunch account please go to:

**<https://munchalunch.com/schools/LakeviewBC>**

**All orders are final once ordering is closed**

**No late orders or refunds**

**We can not accommodate late orders or change orders due to deadlines with vendors**

**In case of absence:** If your child is ill on a lunch date please contact the office to advise the hot lunch team that you would like their lunch to be held for pick up in the gym. Any lunches that we have not been advised to hold by 12:15pm will be sold to other students as we cannot keep the food for them for the next day.

## Individual Photos:

Photos are done and being organized by Mountain West. The student images are being uploaded on the MountainWest website and will be ready to ordered next week.

[myorder.mountainwest.ca](http://myorder.mountainwest.ca)

Each student will be bringing home an individual card specific to them with a QR code. The webcodes are printed on the Student ID/Web cards which is coming home next week.

Steps to order:

Step 1 Scan the QR code

Step 2 Enter your email

Step 3 Order your photos

Photo retakes are scheduled for Nov. 4<sup>th</sup>.

## Rainy Weather FAQ

### I am concerned that my child will get sick being out in the rain.

It is not cold that makes us sick but rather viruses. "People get sick more often in the winter because they are exposed to each other more in the winter than in the summer. When it is cold outside people tend to stay inside and are more likely to spread germs to one another" (from "*Does Cold Weather Cause the Cold or Flu?*"). Turns out that getting outdoors is more likely to protect our kids from illnesses than keeping them indoors.

### My child has been sick but is now returning to school. Can he/she stay inside today?

We are quite reluctant to allow this for a couple of reasons. First, if your child is still not quite better it would be best to stay at home until s/he is 100% ready to function fully at school. If your child is too sick to go outside s/he is also probably too sick to get through the day's work successfully. Secondly, we have limited supervision inside. We can make exceptions based on special circumstances.

### Why don't you keep them in - they would be far more comfortable - it doesn't seem fair!!

The habits we set up with our kids as they grow up last into adulthood. Rather than feeling that they need to stay indoors we want to encourage them to find ways to enjoy the rain. Students engage in imaginative play in any kind of weather. Rainy days inspire the construction of canals, dams, and islands. Puddle jumping is also a favourite activity! Fresh air and exercise also aid afternoon concentration.

### Are the children ever allowed to stay inside due to the weather?

We occasionally have weather conditions that are unreasonable to expect students to stay outside. These days include hard, driving rain or snow with extreme cold or wind. In these situations we intend to declare it an inside day however we don't expect to have more than 2 or 3 of these a year.
