Good afternoon Lakeview families.

Provincial Profession Development Day – Friday October 22nd

Just a reminder that Friday is our Professional Development day and there will be no school that day.

Safety Drills:

We participated in a fire drill, Earthquake drill and a Hold and Secure and today we did the Lockdown. We were able to able to dodge the rain to allow us to practice safely exiting the building. Our staff made sure to preload the students with important information about each drill. Practice makes perfect.

Halloween Costumes at School

On October 29th (Friday) students are welcome to attend school in their Halloween costumes (more details to come). We would like to keep this a fun family-friendly event for **ALL** students. Please remember that we have students as young as 5 years old in our building. With that in mind, please consider the following guidelines when deciding on your "school" costume.

School-appropriate Halloween Costumes should...

- not display inappropriate images such as: gratuitous blood, violence or swear words.
- in general, not depict gratuitous violence or alienate others based on gender, race or religion and be culturally appropriate
- allow students to go outside at recess and lunch
- not include swords, guns or any other kind of weapon - please leave these items at home
- have most of face visible as still a learning environment

Thank you – we appreciate your cooperation.

PAC updates:

Hot lunch orders have closed and the first day of Hot Lunch is Thursday October 28th

The family photo night fundraiser bookings are still open but slots are quickly filling up. One addition that was accidentally left out of the notice – photos will take place at school in the gym.
