## Microsoft Teams and Music update:

Now that we are up and running, most classes are beginning to use Teams as a tool to support the classes. In the past this has been the go to tool for supporting families and students online. Teachers will be helping students log on to Teams at school and showing how it could be used. Some classes use it all the time while others use it for certain activities like sharing presentations. For parents of our primary students Ms. Bourne has placed a clip on your child's class Teams page capturing music activities leading up to Thanksgiving. This is a great way to practice logging on and viewing content. Please Note: not all classes have practiced logging on yet.

## Hot Lunch Ordering Reminder:

Hot lunch ordering will close on Tuesday October 12<sup>th</sup>. More information can be found on the front page of our school website.

## Safety Drills – Second Reminder:

Under the "Date to Note" section you will see that running from October 12<sup>th</sup> to the 15<sup>th</sup> we are doing a series of safety drills. Just like sports, the arts or school work when you practice something you become more comfortable. We as a school want to be comfortable in all safety situations so the best way to do that is to practice. This upcoming week we will be practicing our drill procedures starting Tuesday with a Fire Drill, Wednesday with the Earthquake drill, Thursday with a Hold and Secure and ending the week on Friday with the Lockdown. Our staff will be preloading the students with important information about each drill and our morning announcements will highlight the key factors.

# October 12-15 at Lakeview!

We are excited to announce that a Scholastic Book Fair is coming to your school, with some important modifications to note (due to Covid Procedures). The following notes are important, as the Scholastic Book Fair will have some notable differences and we will have both an in-person (for students) and virtual (for members of the community and students) option for purchasing!

- 1) The in-school Book Fair is open to **students only**. Students will visit with their classes during their scheduled library time. ***The only time for students to make in-person purchases is with their classes during this scheduled time.*** Tuesday Oct 12: Div 9, Div 11, Div 6, Div 7, Div 10. Thursday Oct 14: Div 8, Div 1, Div 4, Div 2. Friday Oct 15: Div 12 and Div 1.
- 2) Parents and members of the community **are not** able to attend the in-person Book Fair. The great news is, the **Virtual Book Fair contains all of the same products and has no minimum purchase for free shipping to the school.**

This Virtual Link will be your place to purchase from the Book Fair online: **<https://virtualbookfairs.scholastic.ca/pages/5147245>**

*No purchases can be made until the Fair start date. You can browse and get a sneak peek prior to the Fair start date. The shop will open up on October 12th.*
