Lakeview Annual Pancake Breakfast

School Wide Skate: Friday December 3rd

Last week a notice went out to families outlining and connecting to School Cash Online four School Wide events. This week a separate notice came out with more details about our first event - Skating. Please note this weeks notice is not a payment or permission form – that is still done on-line. This weeks notice was to help with individual class organization for the event as it is collecting details about skate and helmet needs and parent volunteering. Please note that the venue requires any parent volunteers to provide proof of vaccination.

Lakeview Annual Pancake Breakfast is returning this year on **Friday December 17th**. The PAC is very excited to be able to bring this event back to the **students and staff only** with some modifications this year. This year the breakfast is being provided by Fuel Catering and the students will be enjoying their pancakes in their individual classroom. The PAC is asking that each student please return the bottom of the form with \$2 by **Friday Dec 03rd** to help cover some of the cost of the breakfast. Each child will be receiving two pancakes with syrup, apple juice box and candy cane. There is a gluten free pancake option available and if your child requires gluten free please indicate this on the bottom of the form.

Breakfast will be served approximately at 10:00 am - 10:15am. It is suggested you provide your child a light breakfast that morning till they receive pancakes.
