Good afternoon Lakeview families.

What an energetic week we had at Lakeview with the awesome Sue choreographing some equally amazing routines. I am always in awe of the progress that the students make in 4 sessions and a performance day. The routines are great, the smiles are contagious and please keep an eye out for the videos. Once we have the finished routines we will be sharing them with everyone.

Literacy Week 2022 – January 31st to February 4th

Next Friday (January 28th) we will be kicking of our annual Literacy Week that will run the Monday to Friday of the following week. This week includes activities such as virtual author visits, reading in the dark, shirts with words, outside book walks, scavenger hunts, other guest readers and student book recommendations. Lots of fun, Literacy focused activities for students running all week and lots of fun prizes. The week finishes of with a read-a-thon on the Friday and all monies raised goes to funding extra literacy related activities and resources for the school – and some of the student focused prizes. More detailed information will be shared with the students next Friday, plus in next weeks newsletter and a paper copy of the shape of the week will also be coming home to keep us all on track.

What we say and how we talk about substance use matters...

**Build your knowledge and confidence in speaking with your child
about drug and alcohol use...**

In this session we will focus on:

- Current substance use trends. Societal and media influences around substance use. What you should know about substance use and the law.
- How to talk with your child about substances they may be exposed to as they get older.
- How to respond to a child who is exposed to peer substance use, experimenting with use or is struggling with substance use. Helping youth understand signs of an overdose and how to respond.
- Increasing your confidence, competence and comfort level in discussing drugs and alcohol with your child.
- The importance of decreasing stigma when talking about substance use and addiction.

The presentation will be facilitated by:

- Burnaby School District-Safe Schools team, District Counsellor & Mental Health Liason
- First Nations Health Authority-Indigenous Educator, Harm Reduction
- Fraser Health-Public Health Nurse
