- April 28 Hot Lunch - Subway
- April 29 Hot Lunch - White Spot
- April 29 Assembly 9:15 and 10:55

Good afternoon Lakeview families.

We are now well into April. Can you believe that the year is flying by. With the current level of Health and Safety regulations and some restrictions being lifted year end planning is up and going and feels familiar to years in the past. In the next couple of week look for details on events that are reappearing like Track meets, Sports Day, School wide swimming, field trips, day camps, year end class events, assemblies and Grade 7 school leaving events. Lots of information to come.

Continuing to celebrate our Growth Mindset focus at Lakeview we would like to again recognize some of our students who demonstrated aspects of Growth mindset. Every month we have a new theme under Growth Mindset and this month we are celebrating "There's a Difference Between Not Knowing and Not Knowing Yet".

Remaining positive as she increases her speed on math drills - Great Self talk. - Paige

Always challenging herself to use powerful vocabulary - Adelayde

Always tries her best and has shown growth with learning English - Beylul

Improving her printing skills through perseverance - Tanveer

Asking questions and working hard to improve math - Terry

Looking back at his artwork and being proud of his improvements - Nathan

Working with her team to come up with a strategy to get from "danger" island to "fun" island - it was hard. - Nikki

Working through his nervousness and presenting his Public Speaking speech- Simon

Setting a goal for himself - to get better at reading ... then practiced at home to reach his goal - Vahagn

Continuing to adapt to her "new" classroom environment - Caris

Always putting in great effort on all her tasks - Layal

Improving his printing skills with much effort and practice. Alonzo has confronted the challenge of printing daily in his planner more independently - Alonzo

Showing enthusiasm and a passion for learning. Worked hard in math by setting a goal to learn and memorize doubles facts - Grace

Being a quite example by always trying her best - Rayna

Showing growth with his writing. Especially with public speaking - Vince

Not giving up when working on her multiplication facts - Skarleth

Learning that when he is focused, he can finish tough tasks (like building a treehouse on minecraft4education) on time - Vihaan

Always trying her best and never giving up - Elle
