## **Grade 4/5 and 6/7 Track Club**

What a fabulous way to end our first Track Club in over two years! It was perfect weather days for both our meets over at Cariboo on Tuesday and Thursday and Lakeview Track did an amazing job representing our school. The 4/5's had 16 runners and the 6/7's had 23 looking absolutely amazing in their jerseys running and having a great time. We had several participants placing first or second in their heats and some wonderful sportsmanship from all the competitors. You represented Lakeview so well!

A huge congratulations to the following students for showing some great growth mindset on working hard to improve their running skills and having a few laughs along the way! You were a real treat to coach!

Thanks for your commitment to the team and showing up to practices with a smile on your face every Tuesday morning! We look forward to seeing you early next year for the return of Cross Country.

### Math Challenge Contests:

On May 18<sup>th</sup> many of our students demonstrated a huge growth mindset and took on the personal challenge of writing one of the math contests. The grade 4/5's could write the Abel contest, the 6's the Mirzahakhani contest and the 7's the Gauss contest. All three tests are difficult and intended to challenge the individuals.

A special mention to our top scorer in each contest:  
Gauss – Alex Chow  
Mirzahakhani – Aanya Gupta  
Abel – Messi Luo

### Be Bear Aware - Bear in Area:

As many of you are aware a bear was sighted in the neighborhood on Thursday but the bear was never on the school grounds. The standard procedure is a hold and secure which we practice like a fire drill. In a hold and secure we operate as normal inside the school but secure all the outside doors and do not allow students outside until any outside concern is dealt with. We did not need to do this yesterday as we knew where the bear was and were also in communication with our RCMP Liason officer. Please see below link for the City of Burnaby site.

#### Canoe Kids Summer Camps

Our Canoe Kids program is a week long, day camp experience focused on all aspects of safe paddle sports. Children ages 8 to 13 years old will be introduced to canoeing, kayaking, water safety, as well as cooperative games and activities.

Throughout the week the young athletes will explore the beautiful nature at Burnaby Lake with qualified instructors. Along with their peers, all Canoe Kids will have a great time challenging their own abilities while developing self-confidence and team-work skills.

**Ages:** 8-13

**Experience:** No previous paddling experience is required

**Schedule:** Weekdays 9am to 2pm (late pick up to 3pm is available)

**Location:** Burnaby Lake Rowing Pavilion 6871 Roberts Street

### **Did your child receive their routine immunizations?**

Vaccines are a healthy choice for your child, they provide immunity, and prevent disease. As children get older, the protection from infant immunizations can wear off.

Children can be at risk of new diseases and to provide the best protection possible, it is recommended to make sure children remain up-to-date on routine immunizations. For more information about BC's routine vaccine schedule for children, please visit ImmunizeBC's website at [www.immunizebc.ca/infants-young-children](http://www.immunizebc.ca/infants-young-children).

### **Make sure your child's immunization records are up-to-date**

To check to see if your child's vaccines are up-to-date for:

- Routine vaccines – use the online Vaccination Status Indicator Tool at <https://immunizebc.ca/vaccination-status-indicator>
- COVID-19 vaccines – use the online provincial database (Health Gateway) at <https://www.fraserhealth.ca/health-topics-a-to-z/coronavirus/covid-19-vaccine/immunization-record#.YICyLrbMI2w>

If your child's online immunization record shows they are not up-to-date and they received their immunizations by another health care provider (outside of public health), contact that provider for a copy of the immunization record. Please report your child's vaccinations online at [fraserhealth.ca/immunizationform](http://fraserhealth.ca/immunizationform).

If your child received COVID-19 vaccine(s) outside of B.C., please submit your child's record to the Ministry of Health at: <https://immunizationrecord.gov.bc.ca/>

If your child has not yet received the recommended routine immunizations, please book an appointment with your local public health unit, family practitioner, or pharmacist. All routine vaccinations are free in B.C.

Not all family practitioners and pharmacies offer vaccines, so be sure to call ahead. For a list of pharmacies and community vaccine providers, visit [fraserhealth.ca/getimmunized](http://fraserhealth.ca/getimmunized).

To book an appointment at a public health unit, call:

- 604-702-4906 (residents of Mission, Abbotsford, Chilliwack, Agassiz and Hope)
- 604-476-7087 (residents in all other areas of Fraser Health)

For more information, please contact your local public health unit or visit our website at: [fraserhealth.ca/immunizations](http://fraserhealth.ca/immunizations).
