Hello Lakeview Community,

This will be my last newsletter for a little while as Monday will be my last day before my surgery. Ms. Ceri Brophy is going to be joining us Monday for a transition day and then she will be your go to person. I know our community will make her feel welcome and she has already had a chance to get to see all the great things and people here at Lakeview.

It has been a very busy month at the school and it looks like November has a lot of great events happening too!

Thank you to all the parents who came out to our Halloween Assembly. It was great to see so many students dressed up as superhero's, ninjas, cats, dinosaurs and even one pickle. Thank you to Ethan and Cassidy for leading the assembly and taking control of the afternoon's agenda. It was a wonderful performance by Division 8 and 10 presenting Bats, the school moved it to Ghostbusters, we had a costume parade and some updates on cross-country and home reading.

Our weather has quickly taken a turn and yes the dreaded snow word has started to be thrown around in conversations. Amazing that just weeks ago we were all still in shorts. Please find the link below to all information snow closure related from the Burnaby Schools site.

Remembrance Day: School Assembly Thursday November 10th at 10:45, Remembrance Day Friday November 11th.

Generations of Canadians have served our country and the world during times of war, military conflict and peace. Through their courage and sacrifice, these men and women have helped to ensure that we live in freedom and peace, while also fostering freedom and peace around the world.

Canada's involvement in the First and Second World Wars, the Korean War, and Canada's efforts during military operations and peace efforts has always been fuelled by a commitment to protect the rights of others and to foster peace and freedom. Many Canadians have died for these beliefs, and many others have dedicated their lives to these pursuits. This willingness to stand up to protect human rights, freedom and justice remains one of Canada's defining characteristics in the eyes of the world.

We encourage all Canadians to learn more about the sacrifices and achievements made by those who served our country, and to help preserve their legacy by passing the torch of Remembrance to future generations of Canadians.

Thank-you Division 5 for the morning messages about the poppies and for going around and collecting donations. Please feel free to bring in money next week as we will continue to collect for Poppy donations.

Lest we forget

...To you from failing hands we throw The torch, be yours to hold it high. If ye break faith with us who die We shall not sleep, though poppies grow In Flanders fields.
