- Oct. 21 - Pro D day
- Oct. 31 - Halloween Assembly
- Nov. 9 - Photo Retakes

## Hello Lakeview community,

With a blink of the eye we are already into October with the weather holding out and Thanksgiving happening this week – Reminder that Monday October 10<sup>th</sup> is the holiday and no school.

Lakeview is right back to being a hub of activity with presentations, fieldtrips and guest speakers making the classes busy. Even more impressive is the extracurricular activities that have started up again and the huge involvement of our student community. Our cross country season has just ended for our grade 4's-7's with over 30 participants and now our boys and girls grade 6 and 7 Volleyball teams have already begun practicing. Our choir for grade's 4-7 is back this year and had over 50 students at the last practice. We also saw the return of run club for our grade 6 and 7's, Gardening club for our grade 2's and Stitchery club for our grade 3's.

I would like to thank all participants for joining and contributing to our school community and a special thank-you to all of our sponsor teachers who are volunteering their time to make these opportunities possible.

## Leadership:

We'd like to tell you about a school-wide donation drive that the Grade 7s are doing. It's called **SOCKTOBER**. For the month of October, we'd like to help out the homeless people in Burnaby by gathering donations of new socks. Socks are important for the homeless because they walk around in the streets and with the upcoming the winter months, their socks get really wet.

We have set a goal for Lakeview to raise 200 new socks, which we will donate to The Society to End Homelessness in Burnaby. Socktober will begin October 3<sup>rd</sup> and last till October 31<sup>st</sup>. The Grade 7s will come by classrooms in the mornings to collect socks every day. Your support would be really appreciated!

### Safety Drills:

Under the "Date to Note" section you will see that running from October 12<sup>th</sup> to the 15<sup>th</sup> we are doing a series of safety drills. Just like sports, the arts or school work when you practice something you become more comfortable. We as a school want to be comfortable in all safety situations so the best way to do that is to practice. This upcoming week we will be practicing our drill procedures. Our staff will be preloading the students with important information about each drill and our morning announcements will highlight the key factors.

### Individual Photo's Update:

The photographers have been contacted as the access to purchase photo's was not up by the anticipated order date. From our understanding orders should be available today (fingers crossed).

### PAC Meeting:

Please join us for our upcoming PAC meeting. Link is below for the zoom meeting.

Topic: Lakeview October PAC meeting  
Time: Oct 11, 2022 07:00 PM Pacific Time (US and Canada)
