June 9th, 2023

Dates to Note:

- June 9 - Primary Swimming
- June 14 - Volunteer Appreciation Lunch
- June 15 Primary Swimming
- June 16 Primary Swimming
- June 16 Grade 7 Year End Fieldtrip - Waterslides
- June 19 - Primary Swimming
- June 19 - Intermediate Swimming
- June 19 - Pride Flag raised
- June 19 - Green Day
- June 20 - Purple Day
- June 21 - Yellow Day
- June 21 - last Sports Day team meeting
- June 22 - Own Colour Day
- June 23 - Sports Day
- June 26 - Year End Assembly
- June 27 - Intermediate Swimming
- June 29 - Grade 7 School Leaving Ceremony
- June 29 - last day of school (10:00 dismissal)

Gardening Planters

Over the past month each of the planters at the back of the school have had the attention and focus of two divisions. Divisions have taken responsibility with their buddy classes (Div 1 & 10, Div 2 & 7, Div 3 & 12, Div 4 & 9, Div 5 & 8, Div 6 & 11) to continue caring for the plants after planting them. The variety in the themes and plants has been wonderful to enjoy. We have 'salad gardens' filled with vegetables ready for harvest, pollinator gardens to support our local wildlife, and a fragrance garden for some sensory exploration. Thank-you Lakeview PAC for your support in this project.

Pride Month - June

At Lakeview we are always celebrating diversity, inclusion, acceptance and individuality.

The month of June is a time for all in K-12 education throughout B.C. to hear more about Pride month and recognize and celebrate the contributions of the 2SLGBTQIA+ community.

We know that each child expresses themselves in their own unique way and that 2SLGBTQIA+ students, staff and families still face discrimination in our education system. Our hard work continues so we can ensure every school is a place where all students, staff and families feel safe and included.

See complete ministry statement here :

[Minister's statement for Pride 2023 in K-12 education | BC Gov News](#)

We have many specific learning opportunities planned for June, including: lessons around the history of the Pride Flag, morning announcements defining SOGI inclusive terminology, some chalk drawing, and lessons around the history of clothing choices. We look forward to the raising of the Pride flag for the week of June 19 to 23rd.

Buddies Garden Adventure 2023

Division Six and Eleven had a very successful garden adventure this year! In the short span of about 8 weeks, we were able to harvest some lettuce, (romaine and leaf) green onions and some mighty delicious carrots! We celebrated our harvest by making friendship salads. We set up a 'salad bar' and students could add what they wanted to their salads. We reminded students that this was a 'tasting experience' and they were not getting a full meal sized salad. It was an opportunity to try some foods some of the students were not familiar with. The salads looked amazing!

We added cucumbers, some tomatoes (ours are still growing), croutons and some salad dressing. There really was not a drop left - most students came back for seconds! "Wow this smells amazing." "The carrots are the best." "The lettuce was better than I thought." - these were a few of the quotes while enjoying our salads out by our garden. Perfect hot day snack!

PAC News

I can't believe that another school year is almost over and how quickly the time goes by. This year was an exciting year at Lakeview with the return of all our regular school and PAC activities. We were able to host two fun family movie night fundraisers in the gym in the last two terms. I have loved seeing all the students wearing the Lakeview spirit wear this last term and I look forward to seeing it on sports day.

I want to thank all of our hot lunch parent volunteers and grade 7's that deliver the lunches every week. Without all of you we wouldn't be able to run this hugely successful fundraiser for our school that provides all of our students with the opportunities to participate in field trips, various school wide activities and support our teachers. This year we have quite a few grade 7 parent hot lunch volunteers leaving us as their children are moving onto highschool. We will be looking for more parent volunteers for next year's hot lunch fundraiser so we can maintain our two days a week of hot lunches. If we don't have enough parent volunteers we will have to look at reducing hot lunch to once per week. A hot lunch volunteer is usually asked to volunteer 1 to 2 times per school term and you will be at school for approx 45-60 minutes (11:30-12:30). If you would like to volunteer you can email lakeviewelementary.hotlunch@gmail.com and we will also be doing another volunteer call out in September.

Lastly, I would like to say a special thank you to Cori Gabana who has been a member of our PAC for many years and will be leaving our school to head to Burnaby Central. Cori has held many different roles on the PAC over the years that both her sons have attended Lakeview. Cori is currently the PAC Vice Chair as well as the coordinator for our annual Pancake Breakfast. Cori will be greatly missed and we wish you and your family all the best. If anyone is interested in joining the PAC we do have the Vice Chair position open. If you have any questions or would like to put your name forward for the Vice Chair position please contact Allison Sibelle at allisonsibelle@shaw.ca

Grade 7 Year End Celebration:

Grade 7 parents mark your calendar – Our Grade 7 School Leaving ceremony will be held on the last day of school – Thursday June 29th. The ceremony will begin immediately after morning attendance and once the other school divisions have made their way to the gym. Reminder to families to please send one baby picture and current picture of your grade 7 into Mr.W

PAC meeting

Topic: June PAC Meeting
Time: Jun 20, 2023 06:30 PM Pacific Time (US and Canada)

Red Cedar Awards!

Red Cedar Book Award voting has concluded for Lakeview Elementary. We had 22 students participate in the program this year from our Intermediate Students. At Lakeview, the clear winner was Sunny Days Inside, by Caroline Adderson. Stealing Home by Torres and Children of the Fox, by Sands came in second and third place respectively. Thank you to our Students, Staff, and parents for consistently supporting the program and generating a culture of reading at Lakeview!

Congratulations to our prize draw winners: Beylul (Div 1), Chiara (Div 2), Nia (Div 3)

EXTREME HEAT

Older adults, infants, young children, people with chronic conditions, and those on certain medications are especially sensitive to the health effects of heat and should take extra care.

HEAT EXHAUSTION SYMPTOMS

- Skin Rash
- Heavy Sweating
- Dizziness or Fainting
- Nausea or Vomiting
- Rapid Breathing & Heartbeat
- Headache
- Difficulty Concentrating
- Muscle Cramps
- Extreme Thirst
- Dark Urine & Decreased Urination

Anyone with these symptoms should be moved to a cool space and given plenty of water.

HEAT STROKE SYMPTOMS

- High Body Temperature
- Dizziness or Fainting
- Confusion
- Lack of Coordination
- Very Hot and Red Skin

CALL 911 - Heat stroke is a medical emergency and requires immediate attention.

Spending time in a COOL SPACE and drinking plenty of WATER is the best way to prevent heat-related illnesses.

DRESS FOR THE HEAT

- Wear loose-fitting, light-colored, breathable clothing.

KEEP THE SPACE COOL

- Keep the building cool using blinds to block the sun, and open windows at night to let cooler air in.

STAY INFORMED & PLAN AHEAD

- Reschedule outdoor activities to cooler times of the day and avoid sun exposure.
- Check the latest heat alert information & weather forecast.

HYDRATE

- Drink plenty of water, and offer it to those in your care.

CHECK-IN

- Pay attention to how you feel, and watch for symptoms of heat illness in those around you.

COOL OFF

- Take breaks from the heat by spending a few hours in a cool place (e.g. air conditioned community center, tree-shaded area).
- Use water to help cool-off (e.g. cool shower, wet towels).

For more information on the symptoms of heat-related illness, how to prepare for the heat season and stay healthy in the heat: fraserhealth.ca/health-topics/heat-safety

APRIL 2021

During the summer months both heat and wildfire smoke can be a health concern. Find out more about fraserhealth.ca/health-topics/heat-wildfire-quality
