Good afternoon Lakeview families.

Please note that next Friday, November 24th, is a Professional Day and students do not attend.

Lakeview Snack Shack:

Lakeview's snack shack has been running very successfully last week and this week with the intent of providing healthy recess snacks to all students. We have noticed that some students continually bring unhealthy snack choices (chips, candy, etc.) while other students do not have a snack at all. To help with this fresh fruit and vegetables are available at the front and back door at each recess and they have been very popular with all the student. We have had bananas, cucumbers, oranges, apples, raspberries and veggie trays.

We have been a successful recipient of the Feeding Futures Fund and have had

money allocated with the intent to increase food security for students and families who need it most. We have purchased other healthy snacks that the teachers have access to when we notice students without a snack, maybe a child doesn't have enough or sometimes an item might get dropped or forgot.

Families please reach out to me at the office brad.winterlik@burnabyschools.ca or to your classroom teachers if we can help out in any way to support you.

Fancy Day – Fridays Theme Day
