October 27th, 2023

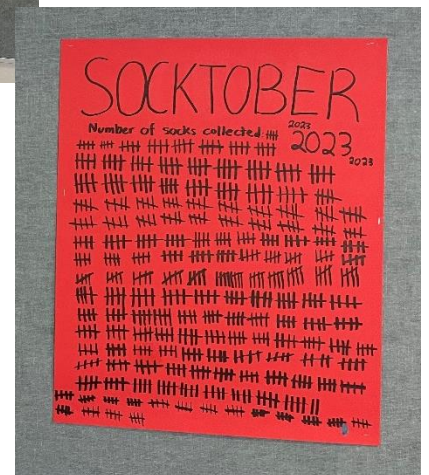

Good afternoon Lakeview families.

It is hard to believe that October end is rapidly approaching and we are now almost two months into the school year. We have a couple of updates on programs our students have been involved in to give back to the community plus extra details on what the always exciting Halloween Day will look like at school. We have also tried to share a snapshot of the different learning experiences and activities happening on a daily basis in the classrooms (and halls) – including buddy activities, robot building, creation of Aliens, fall and Halloween inspired art and design.

SOCKTOBER is almost complete for the month of October. With the goal of helping out the homeless people in Burnaby by gathering donations of **new socks**. Socks are important for the homeless because when they walk around outside during the winter months, their socks get really wet. Then they have to walk in their wet socks all day. So, they need a steady supply of brand new socks. We have set a goal for Lakeview to raise 500 brand new socks to be donated to **The Society to End Homelessness in Burnaby**. Thank-you division 2 and 3 for all your promotion and collection. Take a look at the tally of socks collected - can you count where we are at for collection?

Dates to Note:

- Oct 30 - Goblin Gallop 2:15 school run
- Oct 30 - Gr.6 Immunizations
- Oct 31 - Halloween Assembly 1:00

- Nov 30 November Assembly
- Dec 8 Report Cards Home
- Dec 12 Choir to Loughheed
- Dec 21 Pancake Breakfast - with PJ's and Stuffer
- Dec 22 Winter Break begins
- Jan 8 First day back

Halloween Treat Sale

On Thursday, October 26th, Division Six held a Halloween Treat Sale for the school. The students decorated cookies, created 'mummy cookies' and edible spiders. Several parents also donated cupcakes, witch's fingers, pudding 'dirt' – complete with spiders and rocks! – and candy bags. All proceeds will be given to First United's Giving Tuesday Gala. This event is put on for the residents and provides a warm meal and some festive treats. We are delighted to announce that we raised \$535.00! Amazing job Lakeview!

Halloween Costumes at School

On October 31st (Tuesday) students are welcome to attend school in their Halloween costumes. They need to come dressed in costume and the costume should be appropriate to function in all day. This might need to be a modified version of actual costume as some props and make-up don't work for the full day of school. We would like to keep this a fun family-friendly event for **ALL** students. Please remember that we have students as young as 5 years old in our building. With that in mind, please consider the following guidelines when deciding on your "school" costume.

School-appropriate Halloween Costumes should...

- not display inappropriate images such as: gratuitous blood, violence or swear words.
- in general, not depict gratuitous violence or alienate others based on gender, race or religion and be culturally appropriate
- allow students to go outside at recess and lunch
- not include swords, guns or any other kind of weapon - please leave these items at home
- have most of face visible as still a learning environment
- Masks can be worn for the school-wide parade that will be held at 1:00

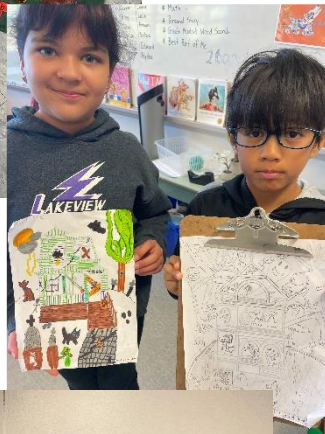

Thank you – we appreciate your cooperation

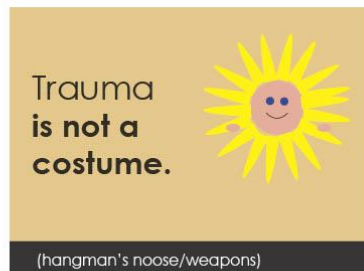

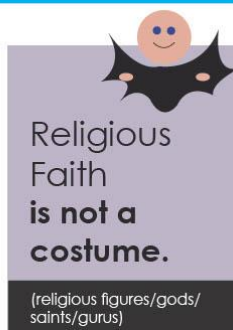

Run Club

It was so nice to have this gorgeous sunshine for our Run Club members this past week! Students in grades 6 and 7 have the opportunity to join Run Club with Mrs Bourne and Mrs Chung every Monday at 12:10pm. This group starts in the Fall with a 2km run and adds to their distance little by little over the year. In June the Run Club goes to Queens Park and does a 10km run together before they celebrate their accomplishment with a pizza party. It's a great way for students to practice long term goals and to stay in shape!

CULTURE IS NOT A COSTUME

You can be creative
and have fun
without causing harm.

Have a safe Hallowe'en!
