Lakeview Elementary Weekly News

Dear Lakeview Community,

Spring is here! Students have been enjoying the sunny breaks in the weather and collecting little bundles of cherry blossoms to share with others.

Spring also brings many celebrations for families in our community. On Tuesday, families celebrated Eid-al-Fitr. This day marks the end of Ramadan and means “the feast of breaking the fast.” Eid is a time for gratitude, reflection, and community. We hope those who celebrate Ramadan in our community enjoyed this time together.

Another celebration that is happening this week is Vaisakhi, which occurs on Saturday this year, so we acknowledged the day today. Thank you to the families who organized treats for students to share the celebration and to students who came to school in their Sikh attire. We hope you have a wonderful Vaisakhi celebration this weekend.

Amelia Poitras, Principal Lakeview Elementary

Starting Monday, April 15th

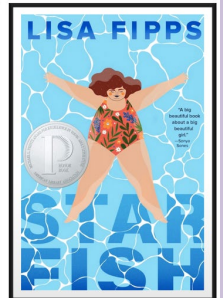

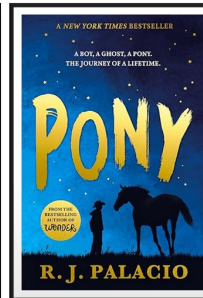

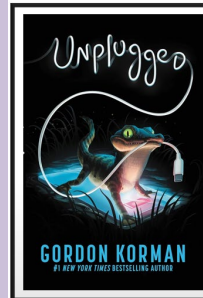

There will be road work on 6th St. between Mayfield and Goodlad. This will impact the traffic to and from the school. We have worked with the project manager and contracting company who have agreed to refrain from work impeding traffic before and after school to support the safe arrival and departure of students. Traffic control will be on-site to assist vehicle and pedestrian traffic.

Dates to note:

- Saturday, April 13 Vaisakhi
- Wednesday, April 17 & 24 Indigenous Sessions
- Thursday, April 18 Grade4-7 Track Meet
- Monday, April 22 Tap Co presentation @ 9:00
- Monday, April 22 Parent Presentation: Healthy Relationships via Zoom @ 7:00
- Wednesday, April 24 Run for the Earth @ 2:15
- Thursday, April 25 Grade 4-7 Track Meet
- Monday, April 29 Pro-D Day (No School)

Young Reader Choice Award Finalists

The YRCA (Young Reader Choice Award) voting has wrapped up for Lakeview. The finalists are:

- Unplugged, by Gordon Korman
- Starfish, by Lisa Fipps
- Pony, by RJ Palacio

We had over twenty votes from our students this year! The Red Cedar Award voting will take place in May, for Intermediate students looking for further inspiration and a challenge with their reading choices!

Student Feature:

Students in Ms. Nakano's ELL class developed an imaginative play together. They created characters, a backdrop, and a script together. Every student played an important role and showcased their skills through speaking, reading, and listening. It was fun watching their performance and seeing all of their hard work come to life. Well done everyone!

Autism Acceptance Month

April is Autism Acceptance Month. "Knowing more, helps more." Throughout the month we will be sharing resources and information to support building understanding of Autism. This video is part of an animated video series produced from the Mental Health Literacy Guide for Autism.
