# Lakeview Elementary Weekly News

Dear Lakeview Community,

This week our Intermediate Track Team participated in their first Track Meet of the season at Cariboo Hill Secondary. Lakeview students displayed amazing athleticism and fabulous sportsmanship. Students cheered on their teammates and celebrated every person who ran. It was a great start to track season; thank you to all the families who came to support and encourage the team! See the last page of the newsletter for photos

Monday, April 22 is Earth Day. We have moved our school "Run for the Earth" to Monday afternoon in recognition of this day. Earth Day was first observed in 1970 to demonstrate support for environmental protection. Earth Day is a reminder of the importance of environmental conservation and sustainability, encouraging us to come together and take action for a healthier planet and brighter future. We encourage you to talk your children about how we can do this. What can they do each day to care for the earth? What can we do as a local community? How do we contribute to the global community? These are big questions, and I suspect your children have some insightful ideas.

For Earth Day resources, visit  
<https://www.earthday.org/earth-day-2024/>

Have a fantastic sunny weekend everyone.

Amelia Poitras, Principal Lakeview Elementary

## Dates to note:

- Monday, April 22 Tap Co presentation @ 9:00
- Monday, April 22 Run for the Earth @ 2:15
- Monday, April 22 Parent Presentation: Healthy Relationships via Zoom @ 7:00
- Tuesday, April 23 Green and Brown Day
- Wednesday, April 24 Indigenous Virtual Sessions
- Thursday, April 25 Grade 4-7 Track Meet
- Friday, April 26 Family Movie Night
- Monday, April 29 Pro-D Day (No School)

## Parent Event: Healthy Relationships

Please join us on Monday, April 22 for a virtual presentation with Burnaby's Safe and Caring Schools Team on supporting healthy peer relationships through childhood. As children develop, they begin to navigate friendships with increasing independence. In this presentation, we will talk about peer relationships and the conflicts that can occur as children enter this stage. We'll look at how schools respond when there is conflict and what we can do as schools and parents to guide our children and to nurture the problem-solving skills they are developing. This session is applicable to families with children in Grades K-7.
