Lakeview Elementary Weekly News

Dear Lakeview Community,

As a follow up to last week's newsletter and reflection on Suzanne Vardy's presentation on "Healthy Peer Relationships", I'm providing a pdf of the slides from that evening for those who were unable to attend.

May is Asian Heritage Month. This is an opportunity for us to learn more about the diverse culture and history of Asian communities in Canada, as well as to acknowledge the many achievements and contributions of people of Asian origin who, throughout our history, have done so much to make Canada the country we know and love.

The theme for Asian Heritage Month 2024 is "Preserving the Past, Embracing the Future: Amplifying Asian Canadian Legacy". This theme celebrates the rich heritage and contributions of people of Asian origin in Canada while also looking forward to the future with optimism and hopefulness. We are acknowledging the voices, stories, and achievements of people of Asian origin in Canada and recognizing their contributions to all aspects of our society, including the arts, sports and social justice.

Red Shirt Day- May 5, 2024

Red Dress Day honours and brings awareness to the thousands of Indigenous women, girls, and Two-Spirit people who have gone missing or who have been murdered. It is observed annually on May 5th and was first observed in 2010. It is important to take the time to learn about the report, the day and its meaning.
