Lakeview Elementary Weekly News

Dear Lakeview Community,

On Wednesday we gathered to express our deepest gratitude to the committed Lakeview staff and volunteers who make our school community thrive. While not everyone was able to join us for lunch, you need to know how much you are appreciated. So here is a message for all our staff and amazing volunteers...

You make it possible to offer a range of exciting learning opportunities for our students. Whether it be reading to students weekly, working on complex building projects or supporting with driving and supervision on field trips, your unwavering dedication has a big impact on Lakeview students.

Volunteering is more than just giving time; it's an act of kindness and compassion. Your engagement in the school community shows your children that you care about their educational experience. By sharing your talents, you uplift others and create a positive ripple effect. The hours you contribute, the smiles you share, and the support you provide—these actions collectively shape our community.

Our school wouldn't be the same without you. Your commitment echoes far beyond these walls, touching lives and making a difference. Know that we are forever grateful. Thank you for being the heart of our school, for embodying kindness, and for contributing to the greater community.

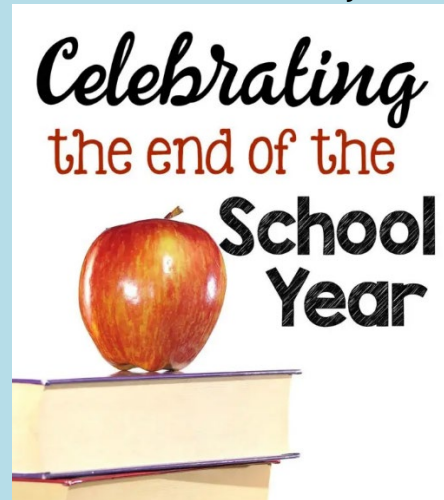

I look forward to a wonderful last week of the 2023-2024 school year!

Amelia Poitras, Principal Lakeview Elementary

- Thursday, June 27 Last Day of School
Grade 7 Leaving Assembly
Report Cards Home
10:30 am Students Dismissed from Classrooms

Year End Assembly

Families are welcome to join us for our Year End Assembly on Monday, June 24th. We will be starting shortly after 1:00. We will be recognizing our Grade 6/7 Run Club participants, saying farewell to staff who will not be returning in September, celebrating Karen Keirstead's retirement, and viewing our year end slide show.

Lakeview Gardeners

Our gardening planters at the back of the school have been bursting with growth. These planters have been planted and maintained by buddy classes. These compact containers allow students to cultivate herbs, vegetables, and flowers, teaching responsibility and the science of growth! Ask your child which planter they are involved with maintaining and take a tour of the pollinator garden, scent garden, or vegetable gardens, the next time you are at Lakeview. Below you will see photos of the lush gardens and images of Division 8 harvesting potatoes!

Friendship Salad 2024

Divisions Six and Eleven enjoyed a wonderful garden salad on a lovely sunny afternoon! Since planting our garden back at the beginning of May, the students got a taste of some of the vegetables they had planted – romaine, iceberg and Bright Lights lettuce, green onions, spinach and cucumbers. Our cherry tomatoes need a little bit more time, but they will be ready with a little more sunshine! Our strawberries are going strong and should be ready before the end of school – there are approximately 12 berries on the plant right now. A huge ‘thank you’ to the PAC for provided the funding for our gardening projects.

2024-2025 Important Dates

Tuesday, September 3 – School Opening (Students attend 9:00-10:00)

Friday, September 6 – 2:00 Student Dismissal

Friday, September 13 – Individual Student Photos
