

Lakeview Elementary Weekly News

Dear Lakeview Community,

Our first term report cards will be sent home with your child(ren) today. These report cards give you an idea of where your child is at in their learning; they are a reflection of your child's hard work, growth, and areas where they can continue to improve. Communicating student learning is a vital component of the learning process and fundamental to student success. This is an ongoing process throughout the school year that involves the teacher, the student, and families/caregivers.

Here are a few ways you can engage with your child around their report card:

1. **Celebrate Achievements:** Acknowledge and celebrate your child's successes, no matter how small. Positive reinforcement boosts their confidence and motivation.
2. **Discuss Areas for Improvement:** Approach these conversations with empathy and encouragement. Ask your child how they feel about their progress and what support they might need.
3. **Set Goals Together:** Collaborate with your child to set realistic and achievable goals for the next term. This helps them take ownership of their learning.
4. **Stay Involved:** Regularly check in on their progress and maintain open lines of communication with their teachers.

Please sign and return the report card envelope to your child's teacher to acknowledge that you have received and reap the report.

Amelia Poitras, Principal Lakeview Elementary

DECEMBER 10

INTERNATIONAL HUMAN RIGHTS DAY

Human Rights Day is on December 10th. Human Rights Day reminds us of the fundamental rights and freedoms that belong to every person, regardless of their background, nationality, or beliefs.

In our school, we strive to create an environment where every child feels valued, respected, and safe. Part of the role of public education is for students to learn how to be part of a diverse community where we accept, value and include all. We invite you to have conversations with your children about human rights and explore ways to promote and protect these rights in our daily lives.
