Dear Parents:

At Lakeview, the students in grades 1 to 7 use planners. While helping to fulfill the goals of the Career Education curriculum, the use of planners will also equip our students with the necessary organizational and time management skills needed for optimum school success. **The cost of the planner is \$8.00.**

Please note that schools are no longer accepting cash payments. Please follow the instructions for setting up a SchoolCash Online account on our website.

Yours truly,

Amelia Poitras
Principal
