Lakeview Elementary Weekly News

Dear Lakeview Community,

I want to extend my heartfelt thanks to all of you who joined us for our Remembrance Day assembly and contributed to the Poppy Fund. Lakeview contributed nearly \$200 to the fund this year. Your presence and involvement is truly meaningful as we honored the sacrifices of those who served and reflected on the importance of peace.

Our students demonstrated incredible thoughtfulness and respect throughout the event. From the moving poems and artwork to the powerful musical performances, their contributions showed deep learning and understanding of why we pause to remember. These moments remind us of the value of empathy and gratitude in shaping our community.

Thank you for supporting this important learning experience. Together, we help our children grow into compassionate and informed citizens.

Amelia Poitras, Principal Lakeview Elementary

Safe Pick-Up and Drop-Off Around the School

Please pay close attention to the signs for student pick up and drop off. Please do not use the staff parking lot to drop off. Additionally, do not drive directly down to the Annex. This is a high traffic area for students moving to and from buildings. Please park on the street and walk students safely to the school; we would rather your children be late and safe than risk injury.

Young Readers Choice Awards

The Young Readers Choice Awards (YRCA) is a fun and engaging program that encourages students in Grade 4-7 to explore a wide range of books across different genres and formats, including fiction, nonfiction, and graphic novels. The YRCA nominees are carefully selected to appeal to a variety of interests and reading levels, helping students discover new authors and stories they might not have tried before.

Students are challenged to read two nominated titles by April for the chance to vote for their favourite book. Their votes help decide the official YRCA winner, chosen entirely by young readers across the Pacific Northwest.

It is a wonderful opportunity to celebrate reading, explore new ideas, and share favourite books with friends.
