Lakeview Elementary Weekly News

Dear Lakeview Community,

As we approach November 11th, our school community will take time to reflect on the courage and sacrifice of those who have served and continue to serve in the Canadian Armed Forces. As a school, we will recognize Remembrance Day on Monday, November 10th. Students will be provided with poppies in the morning and we will come together for an assembly; there will be a donation jar for students to contribute what they can (usually coins) with proceeds going to [the poppy trust fund](#). This is a meaningful opportunity for our students to learn about the importance of peace, gratitude, and remembrance.

In addition, we recognize Indigenous Veterans Day on November 8th, a day dedicated to honouring the First Nations, Métis, and Inuit soldiers who have served with bravery and distinction in times of war and peace. Their contributions are a vital part of our shared history, and we are committed to ensuring their stories are heard and remembered.

We warmly invite any families who wish to join us for our Remembrance Day Assembly on Monday; we will be having an early recess (10:20-10:35) and then start our assembly at 10:45. We will have presentations from a variety of students, including Division 3 and 7, each class will contribute a wreath, and our Choir will sing. Together, we will pay tribute to the heroes who have shaped our nation and reflect on the values of courage, service, and unity.

Thank you for your continued support in helping our students grow into thoughtful and compassionate citizens.

Amelia Poitras, Principal Lakeview Elementary

Dates to note:

- Mon. Nov. 10 – Remembrance Day Assembly 10:45
- **Tues. Nov. 11 – Remembrance Day – No School**
- Wed. Nov. 12 – Boys Volleyball Game
- Thurs. Nov. 13 – Girls Volleyball Game
- Fri. Nov. 14 – Div. 3 Skating 12:00-3:00
- Tues. Nov. 18 – Boys Recreational Play Day
- Thurs. Nov. 20 – Girls Recreational Play Day
- **Fri. Nov. 21 – Pro-D Day – No School**

CHOIR PRACTICE MONDAY MORNING AT 8:15

The Intermediate Choir is coming on Monday morning at 8:15 to rehearse in the gym for the Remembrance Day Assembly. They should arrive wearing white on top and black on the bottom (pants or skirts are fine), dark shoes and with tidy hair. The Assembly takes place at 10:45am in the gym and parents are welcome to join us; please enter the gym by 10:40.

Grade 6/7 Run Club

What beautiful weather we had this week!!

The Lakeview Run Club did a 3.25km run up around Robert Burnaby Park with a goal to reach 5km by December.

Halloween at Lakeview 2025

Students and staff came with enthusiasm and celebrated together.

Halloween Fun with Division 8

**SCENTED PRODUCTS CAN TRIGGER
SERIOUS HEALTH REACTIONS WITH
ASTHMA, MIGRAINES, ALLERGIES
AND SENSORY PROCESSING DISORDERS**

**PLEASE AVOID THE USE OF PERFUME,
COLOGNE, AND OTHER SCENTED PRODUCTS**

Fraser Health November Message

– Vision, hearing and dental screenings and youth clinics

Make dental, hearing and vision checks part of a healthy routine

It's important for your child to have regular eye exams and routine dental checkups. This can help find issues early and lead to better outcomes. It is also important to recognize any hearing loss early as this is essential for speech and language development.

Dental

Tooth decay and other oral health concerns are the most common preventable chronic diseases in children. Establishing good oral hygiene habits early and ensuring regular dental checkups are essential for your child's oral health.

To find a local dentist who is accepting new patients, visit the BC Dental Association's [Find a Dentist database](#).

If your family is experiencing financial challenges and doesn't have extended health coverage, there are [programs](#) available to help make dental care more accessible. You can also reach out to the dental program at your local public health unit at [Dental Care - Fraser Health](#) to learn about community resources and support.

Vision

[BC Doctors of Optometry](#) (BCDO) recommends children receive their first eye exam when they are six to nine months old, with a follow up exam at least once between the ages of two and five, and then yearly once they enter school. You can find an optometrist accepting new patients near you on [BCDO's website](#). In B.C., one basic eye exam per year is free up to the age of 18. Some optometrists may charge a user fee of about \$35-50 per visit, so be sure to ask about any fees before you make an appointment. Find more information on BCDO's [Children's Resources](#) page.

Hearing

Good hearing is essential for speech and language development and plays an important part in a child's social and emotional growth. It is important to recognize hearing loss early and seek out testing and treatment if needed. Fraser Health's Public Health community audiologists provide free hearing services for children from birth to 19 years of age. If you have a concern about your child's hearing, referrals can be made by a parent or caregiver, a health care provider or education professional to your [local public health audiology \(hearing\) clinic](#).

Find more information on child health screenings and how to access free vision, hearing and dental exams on [Fraser Health's website](#).

Youth clinics

Let your teen know about our youth clinics. Located throughout the Fraser Health region, these clinics offer free and confidential sexual health care to youth, with age eligibility varying by site and service. Learn more about the services available at youth clinics [here](#).
