# Lakeview Elementary Weekly News

Dear Lakeview Community,

Welcome to 2026! I hope everyone enjoyed a restful and joyful winter break. We have had an exciting first week back.

On Tuesday, we were pleased to welcome Superintendent Karim Hachlaf, who spent time visiting classrooms and seeing learning in action. A special highlight was meeting with some of our Grade 1/2 students, who confidently shared their goals for 2026.

Students participated in our “Rocks and Rings” lessons, where they learned about the sport of curling. These engaging activities helped students explore teamwork, strategy, and Canadian sport culture in fun and interactive ways.

Looking ahead to next week, we will acknowledge and celebrate Black Excellence Day. Black Excellence Day is a time to recognize and honour the achievements, contributions, resilience, and leadership of Black individuals and communities—past and present. We aim to affirm Black excellence, inspire pride, and deepen our understanding of equity, inclusion, and belonging for all.
