Lakeview Elementary Weekly News

Dear Lakeview Community,

Thank you to all those families who were able to join us for this week's intake meetings. If you missed intake meetings, please arrange an alternate time with your child's teacher directly. Intake meetings are an important part of communicating student learning and are a requirement of the reporting process. This is an opportunity to share information about your child and create learning goals with the teacher.

Please note, we continue to experience ongoing network issues impacting the internet, school phones, and access to MyEdBC. Teachers have limited access to email, so they will respond to email inquiries as best they can.

Please continue to contact the school's alternate phone at 604-664-8739 or email lakeview.info@burnabyschools.ca or kim.domino@burnabyschools.ca if needing to contact the school.

Principal Lakeview Elementary

Orange Shirt Day – September 29th

Orange Shirt Day, recognized alongside the National Day for Truth and Reconciliation, grew from the story of Phyllis Webstad, whose new orange shirt was taken from her when she arrived at residential school as a child. Today, the orange shirt has become a symbol of the message that Every Child Matters and an opportunity to honour survivors, remember children who never returned home, and learn about the ongoing impacts of residential schools. At Lakeview, students and staff will come together for a school-wide assembly to recognize National Day for Truth and Reconciliation. We encourage everyone to wear orange as we learn and reflect together.
